DISCUSSION	<b>Principal -</b>

Ms. Arnquist provided updates on the school quality survey and creating a QR code for parents so they can do it during parent-teacher conferences, and mentioned upcoming events, including track season and a family evening event on March 4th. She also introduced a new monitor, Melissa, and noted ongoing efforts to hire a behavior monitor.

**Parents** - The parent group reported updates on the financial status and upcoming events. They currently have \$2,689.62 in the bank. They are planning several activities, including a Peter Piper fundraiser on February 17th, a potential relaunch of paletta sales in March, and the Spring Fling event on April 10th. They also mentioned interest in organizing additional events like movie nights and STEM activities in the future.

<b>ITEM TITLE</b>	Funds Requested
<b>DISCUSSION NOTES</b>	<p>Ms. Ruiz requested approval for funds from the undesignated and field trip funds for an 8th-grade Disney trip, explaining that it is for academically performing students with good attendance and no suspensions. She asked for \$7,586 and not to exceed \$7,600 to cover the charter bus cost, as students' families would pay \$300 each for tickets and the program. The council discussed the request, with Stefanie asking if this would use up all the funds, which Ericka clarified was not the case. Claudia inquired about the trip's timing, and Mayra confirmed it would take place from May 8th to 10th.</p> <ul style="list-style-type: none"> <li>I.
